

## Machine

|              |                     |
|--------------|---------------------|
| Inventory N° | <b>16458</b>        |
| Description  | Cylindrical grinder |
| Brand        | <b>KELLENBERGER</b> |
| Model        | <b>600 U-175</b>    |
| Serial No    | <b>2458</b>         |
| Year         | <b>N/A</b>          |

## Heading

|                                |                   |
|--------------------------------|-------------------|
| Cylindrical grinder            | INT / EXT         |
| Centre height                  | 125 mm            |
| Distance between centres:      | 600 mm            |
| Diameter of grinding wheel     | 350 mm            |
| Width                          | 50 mm             |
| Drilling cap. of grind.wheel   | 127.0 mm          |
| <b>Grinding wheel speeds</b>   |                   |
| Number (steps)                 | 4                 |
| From                           | 1500 t/min        |
| Up to                          | 3600 t/min        |
| Adjustable headstock           | 270 °             |
| <b>Work piece spindle head</b> |                   |
| Number of rounds               |                   |
| From                           | 20 t/min          |
| Up to                          | 400 t/min         |
| Adjustable                     | 360 °             |
| Taper size                     | 3 CM              |
| Taper in tailstock             | 3 CM              |
| Max.table angular displacement | 10 °              |
| <b>Table speeds</b>            |                   |
| Stepless from                  | 6 m/min           |
| External grinding wheel motor  | 4.0 CV            |
| <b>Over-all dimensions</b>     |                   |
| Machine                        | 2300x1600x1600 mm |
| Machine's weight               | 2100 Kg           |

## Accessories
